INTRODUCTION

This 8.5-hour tour takes you on a walk within natural bushland to meet wild koalas, all while participating in the Make A Home for Koala Clancy Koala Conservation Project. Your guide is an expert on each one's history and social life and will share with you their stories as you have an opportunity to take photos. Wild mobs of kangaroos can also be found in the plains and open forests, and while their natural instinct is to flee humans, you may be able to get close enough to observe them and capture a photo. Parrots, fairy wrens, emus, honeyeaters, possums, wallabies and lizards are also in the area, and your guide will help you to spot them along the way.

Includes: Hotel pick-up and drop-off and a picnic lunch. Duration: 8 hours, 30 minutes Departures: Daily @ 8:10am
