### INTRODUCTION

It's only fitting that a trip to the Garden City be paired with luxurious accommodation overlooking an iconic green space, and such a hotel can be found in Rydges Latimer Christchurch. A fairly new addition to the city and built in compliance with all of the latest building code requirements, it overlooks Latimer Square's lush, broad-leaved trees and pulls natural influence into its interior décor. Just five levels high, the 128 rooms have been styled with contemporary Kiwi flair, and the facilities outside of your room cover a premium steakhouse restaurant, gym and sauna.

### LOCATION

Rydges Latimer Christchurch is in a superb location, overlooking Latimer Square in the downtown precinct of the city. The Canterbury Museum, International Antarctic Center, Cardboard Cathedral, and Air Force Museum of NZ are all in close proximity, and the airport is approximately 20 minutes away.
