INTRODUCTION

Today a professional chef will take you on a private journey through Sydney to show you how Sydneysiders live, work and play. You'll visit a local produce market that sells an impressive range of fruit, vegetables, meats and seafood and work alongside the chef to collect some fresh ingredients for the day. In the relaxed environment of a private Sydney home, you're invited to join professional chef Andy Newton with the hands-on preparation of lunch, and in between courses you can stretch your legs with a short walk through native Australian bushlands to the waterfront. After a leisurely afternoon of cooking, eating and living the life of a Sydneysider we will take you back to your hotel.

Includes: Hotel pick-up and drop-off, morning tea, a 4-hour cooking experience with a professional chef, lunch and beverages. Duration: 7 hours Departures: Daily @ 9:30am
